Dear Denise and Michael,

I read the recent article in the Toledo Free Press and Denise; I want to congratulate you on 25 years of beautiful music. Your unique talent for playing a wide repertoire makes you an incredible musician and I am so pleased that ProMedica Health System has been a client of yours for years. Together, you are a part of the holiday party that our guests look forward to each year~ your music sets the perfect tone for our event.

As you continue to play concerts throughout northwest Ohio and southeast Michigan, I imagine that you will gain many new admirers. Your work is original, beautiful and diverse and I certainly enjoy listening to you play. I wish you both continued success and I look forward to having you at another ProMedica event later this year.

Warm regards,

Alan W. Brass, FACHE
